Letter No 244 dated the 18th January '04 from the President of the Municipal Commission, Bangalore City, reporting on the petition of C. Srinivasa Rao, Clerk, Rev. & Genl Secretariat.

Under date the 10th December 1903 Sreenivasa Rao petitioned the Government complaining that a sum of Rs 130-8-0 had been deducted from his pay bills ending June 1903 at the rate of Rs 4-8-0 a month for 29 months towards the recovery of the value of 2 tiles (viz Rs 90/-) purchased by him in the

/

Basavarajpur Extension, that the excess of Rs 40-0-0 was neither refunded to him nor credited to the house building advance drawn by him. He further represented that in reply to a petition to the President on the subject he was asked to go to the Municipal Office and get the necessary information, that he accordingly went there one day and found that the information could not be had without going into the municipal accounts for at least 10 days. In such circumstances, he prayed that as it was the duty of the officer disbursing the pay to account for the deduction made out of pay bills

the President might be asked to state definitely whether Rs 130-0-0 had been recovered out of the hay bills during the aforesaid period and if so, to credit the excess recovered to the balance of the House building advance still due by him.

2. The petition having been forwarded to the President for report, the President, + vide 2464 dy 18th Jany '04 states that the Extension Registers show a credit of Rs 126/- against his name while his bills for 1903-04 work Rs 99/- and that the excess amount recovered from him is therefore Rs 27-0-0 and not Rs 40-0-0 as stated by the petitioner. A statement of the different sums remitted by the Petitioner has also been submitted by the Presidents.

3. In reply to an enquiry made by the Assistant Secretary, the petitioner has

stated that he was employed both in the Secretariat and in the Excise department during the said period of 29 months and that recoveries were made for 3 months in the former & for the rest of the period in the latter Office.

4. The statement furnished by the President shows the credits made since July 1901. The deductions made in the Secretariat for 28 months out of his pay bill for May 1901 made during the 3 months of June 1901 ~~to July 1901~~ amounting to rupees 4-8-0 ~~3-8-0~~ is stated by the petitioner to have been lost sight of.

Submitted for orders as to whether this may be transferred to the P. & A Branch for verification & the needful being done.
